

# FITZWEST AGM

---

Green Initiatives 2024

# Market Place

- Improvements part of Oxford Street Programme
- Suggest alignment of design and materials
- Improvements in surfaces, seating and planters

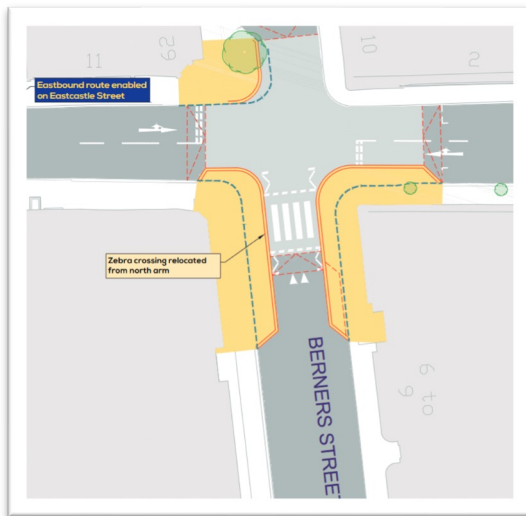

# Foley Street

- Nine trees planted outside All Souls Primary School
  - *Amelanchier lamarckii* / Snowy mespilus
- Follows earlier planting of trees on Riding House Street (2013)
  - *Birches, pears, elms*

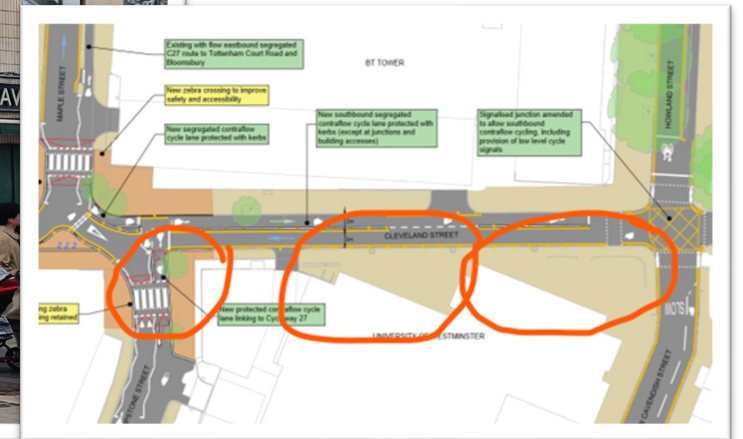

# Berners Street

- Barren stretch of street remains
- Signals change from Soho to Fitzrovia
- Opportunity to green boulevard
- Technical challenges

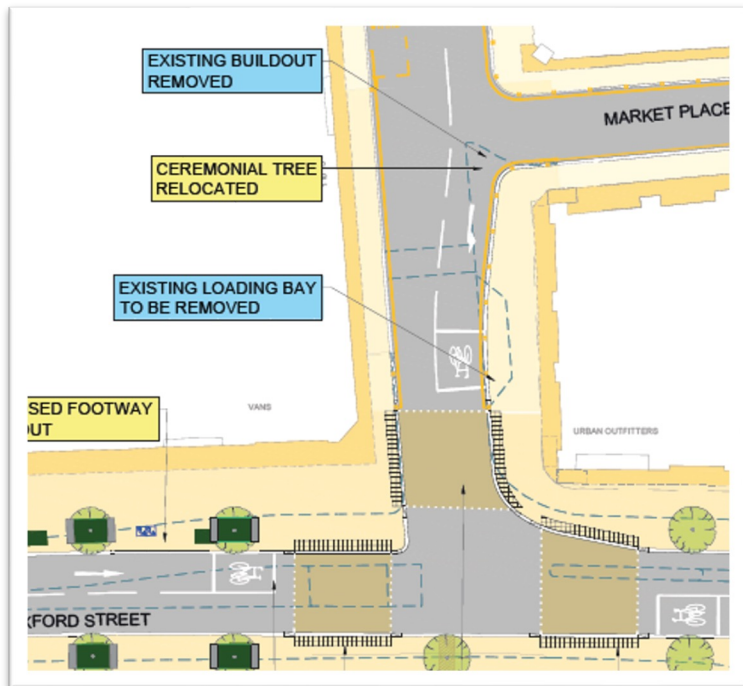

# Univ. Westminster Cavendish Campus

- Very rare opportunity to environmentally improve campus
- Improvement of parklet and rare green open areas

# Great Portland Street

- Protecting liquid amber Oxford Street
- 500<sup>th</sup> tree planted by All Souls School children (2013)

# Conclusion

- Circa 20 new trees / replacements in last year
- Active engagement with Westminster City Council and University of Westminster to improve rare open areas in our neighbourhood
- Looking for solutions for remaining barren streets – Berners St, GTS
- 2024 Total 390 trees
